THE ONE HUNDRED AND SIXTY-EIGHTH  
ANNUAL COMMENCEMENT  
THE UNIVERSITY OF NORTH CAROLINA

KENAN MEMORIAL STADIUM—CHAPEL HILL  
MONDAY, JUNE FOURTH, NINETEEN HUNDRED SIXTY-TWO

## *Alma Mater Song*

Hark the sound of Tar Heel voices  
    Ringing clear and true  
Singing Carolina's praises,  
    Shouting N.C.U.!

*Ref.*—Hail to the brightest star of all  
    Clear in its radiance shine!  
Carolina, priceless gem,  
    Receive all praises thine.

'Neath the oaks thy sons true-hearted  
    Homage pay to thee  
Time-worn walls give back the echo  
    Hail to U.N.C.

Tho' the storms of life assail us,  
    Still our hearts beat true;  
Naught can break the friendships formed  
    At dear old N.C.U.

# THE ACADEMIC PROCESSION

*For the benefit of our visitors the following information digested from "An Academic Costume Code and Ceremony Guide" prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.*

The history of academic dress reaches far back into the earliest days of the oldest universities. A statute of 1321 required that all "Doctors, Licentiates, and Bachelors" of the University of Coimbra wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges prescribed the wearing of a long gown. When American colleges and universities desired to adopt some suitable system of academic apparel a half century ago, a conference held at Columbia University in 1895, made up of representatives from various institutions drew up a "By-Law, Regulation, or Statute" for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959 by The Committee on Academic Costumes and Ceremonies of The American Council on Education, is still in force; the costumes and colors, trimmings, and patterns you will see are all traditional, and interpret both the degree and the field of learning. The bachelor's gown, designed to be worn closed, has pointed sleeves; the master's gown, which may be worn open or closed, has an oblong sleeve open at the wrist, which hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has the arc cut away. The doctor's gown has bell-shaped sleeves. It may be worn open or closed.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet, with three bars across the sleeves; or the color of the velvet may be that which is distinctive of the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken:

Apricot:	Nursing
Brown:	Fine Arts
Citron:	Social Work
Crimson:	Journalism
Dark blue:	Philosophy
Golden yellow:	Science
Green:	Medicine
Lemon-yellow:	Library Science
Light blue:	Education
Lilac:	Dentistry
Olive-green:	Pharmacy

Orange:	Engineering
Pink:	Music
Purple:	Law
Sage green:	Physical Education
Salmon pink:	Public Health
Scarlet:	Theology
Yellow-brown:	Commerce, Business, Accountancy
White:	Arts, Letters, Humanities

The hoods, differing in length for the three degrees, bachelor's, master's, and doctor's, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with dark blue, for doctor of philosophy.

Mortarboards are the approved headgear. The tassel, worn on the left side of the cap, may be of gold if the holder has a doctor's degree.

The procession follows a traditional order: first come the speakers, trustees, administrative officers, candidates for honorary degrees, and other members of the platform party; next, the faculty; and finally the candidates for degrees, arranged in the order in which the degrees are to be conferred.
